

Collaborating with CenterLight PACE Through HHAeXchange

HHAeXchange is the premier Home Care Management Software company for the Medicaid LTSS population. They connect payers and home care agencies to enable more collaboration, communication, and workflow efficiencies. Using the HHAeXchange portal makes working with CenterLight Healthcare PACE easy and efficient. HHAeXchange is easy-to use, improves collaboration, and reduces manual work for your agency.

What does the HHAeXchange Portal provide to home care agencies?

- Electronic case placement and authorization transfer

- Free EVV solution for time & attendance and duty tracking

- Efficient schedule and visit management

- Electronic billing

- Real-time messaging with CenterLight Healthcare
